Re: **United States v. Mateo Cabrera**
23 CR 0209 (VEC)

Dear Judge Caproni:

Mateo Cabrera, through undersigned counsel, respectfully submits this letter requesting to amend the conditions of his pretrial release. Specifically, Mr. Cabrera requests to remove the condition requiring home detention, and instead replace it with a curfew condition, with hours set at the discretion of pretrial services. Mr. Cabrera was recently hospitalized twice after suffering a heart attack on March 3, 2024. Hence, the purpose of the requested amendment is to afford him the ability to get outside for exercise. He would still be subject to location monitoring.

Undersigned counsel has conferred with pretrial services and the government about this request. Pretrial services consents to the requested amendment, and recommended that the curfew hours be set at the discretion of pretrial services. The government defers to pretrial services.

Respectfully Submitted,
